Kathy - I can't open these links for some reason. Do you want to send me a non-one drive version of the clean version with the comment bubbles and I will re-save and send to David to see if he wants to provide feedback before we send to Dave. Thanks!

All, I could not save a clean copy of the memo to Alexis' folder. So I've attached two documents.

1) I've attached a clean document here that has two remaining comment bubbles. **Ex. 5 Deliberative Process (DP)**

Ex. 5 AC/DP

Ex. 6 Personal Privacy (PP)

And a clean one without the comment bubbles.

Ex. 6 Personal Privacy (PP)

Mindy, I think the clean version can be sent to Dave and either you can copy David or Carrie can send it to him. I believe we accepted or addressed all of Dave's comments.

Thanks everyone,

Kathy
